Exceptions in twelve year-old division until Jr. High Tourn.is over, if team doesn't have enough players During county tournament players can only be moved up, if only four players.

- **Technical Fouls:**

Two technical fouls given to a coach during one game, the coach will be out for the remainder of the season.

- **Officials Pay:**

Officials will be paid \$40.00 a game. Six-year old games will only use one Official. Eight, ten and twelve year old games will use two officials. Officials will be certified by AHSAA. As of 11-5-2018, Shawn Greenhill, certified official with AHSAA, will assign officials to sites in exchange for \$40.00 per site fee to serve as referee assignor/coordinator. (During the County Tournament, different officials will be assigned to the Tournament if available). A list of contacts at each site will be given to lead official).

No official will referee a game in which he/she coaches for or has ties to that community.

- **Clock Management:**

During Jamboree clocks will only stop during time outs and the last minute of the game.

During regular season and the county tournament:

Revised as of 2-11-2018:

Quarter periods will be 5: 00 for six year-olds and eight, 6:00 for ten and twelve year-olds, clocks will stop on free throws, timeouts, and the last two-minutes of the game, There will be only two overtime periods. These periods will be 2:30 each.

Effective 2-11-2018, the clock will stop on any official whistle at the end of each quarter with 10 seconds or less in the quarter.

- **Entry Fees as of 11-5-2017 for the 2018 season:**

All participating communities will charge **\$3.00** each adult and student, with players and coaches getting in free.

- **Time Outs:**

During Jamboree, Each Team allowed 1 Time Out

During regular season and county tournament coaches will have two timeouts per

half (one thirty and one full-do not carry over, one timeout in overtime)

- **Clock keeper/Bookkeeper:**

This person will be selected by home site (needs to be a mature individual), also
Must have an official scorekeeper for EVERY Age Group

- **Substitution Rule:**

Subs will come in around the 2:30 mark in the 1st and 2nd quarters in all games of 6 and 8 year olds and at the 3:00 mark on the 10 and 12 year old, with the option of subbing players as the coach chooses in the 3rd and 4th quarters of play. The key here is that every player will play at least half of two quarters, and each player must sit out at least one half quarter in the game if the team has 6 or more players. **If a coach fails to adhere to this substitution rule by the end of the 3rd quarter in each game they play, they will be assessed a technical foul. In addition, the player(s) that have not sat a ½ a quarter through three quarters must sit the entire fourth quarter.**

At the 11-5-2017 meeting of the FCYBO it was voted on that each home site will have an official substitution tracker along with an official score keeper/clock operator and bookkeeper. The official substitution tracker will keep up with substitutions on each game and will be responsible for letting officials and coaches know if they lack substitution of anyone by the start of the third quarter of each game.

At the 2-11-2018 meeting of the FCYBO, it was unanimously approved that the intent of the substitution rule is for EVERY player to sit at least ½ of one quarter prior to the end of the 3rd quarter. Whenever the clock keeper and or refs call for subs in a half a quarter will be the time in which it will count if that child has sat their appropriate time. There will be no more substitution allowed of subbing a few minutes or seconds in each quarter to aggregate to the full 2:30 or 3:00 minutes, the intent is that ALL players must sit for the entire ½ quarter when substitutions are called for.

If a coach does not sub correctly by a second game, suspension will result for this coach.

- **Mercy Rule Revised as of 2-11-2018:**
